About Us (CD 33)

The image shows a black smartphone with a teal-colored website displayed on its screen. At the top of the website is a dark teal header with the white text "MoVE". Below this is a light teal section containing the black text "About Us". A thin horizontal line separates this from the main content area. The main content area contains several paragraphs of text about Monash Veggie Eatery (MoVE), mentioning its international chain of restaurants serving delicious vegetarian and vegan cuisine. The text also specifies locations in Clayfield, Bandar Sunway, Mont Kiara (Malaysia), Roodepoort, and Sandton (South Africa). The text concludes with a statement about the menu's international influence. At the very bottom of the screen, there is a dark teal footer bar with the white text "About Us".
